

# STUDENT EXPERIENCE PREVIEW

For Operators

This document provides a simulated walkthrough of the student-facing view of the ANU Career Central platform, designed for operator reference. It includes annotated screenshots and clickable elements to demonstrate how students interact with key features such as booking appointments, accessing job opportunities, completing assessments, and exploring pathways.

## DASHBOARD

The screenshot shows the ANU Career Central dashboard. At the top is a dark header with the Australian National University logo and the text "ANU Career Central". Below the header is a navigation bar with links: "Search", "Book", "Skills", "My Career Passport", and "Career Discovery". Below the navigation bar is a row of six icons: "Queries" (envelope), "Events" (calendar), "Appointm..." (handshake), "Job Oppor..." (briefcase), "Forms" (clipboard with a red notification bubble "1"), and "Pathways" (hexagon with a red notification bubble "2"). To the left of the dashboard, there are three yellow boxes with blue arrows pointing to specific elements: "MENU" points to the "Search" link, "'MY' MENU" points to the "Queries" icon, and "TILES" points to the "Job-ready assessment" tile. Below the navigation bar is a large black banner with white text: "Welcome to the ANU Career Central platform – your go to area for support and guidance at every step of your employability journey." Below this banner is a smaller banner with the text "Get job, event and workshop info direct to your inbox. Subscribe now via your profile to the... WEEKLY or DAILY newsletter." and a large orange button labeled "updates". Below the banners is a grid of six tiles: "Job-ready assessment" (laptop and notebook), "e-Learning Pathways" (bridge), "Book your appointment" (calendar), "Find job opportunities" (crowd), "Find events & workshops" (books and papers), and "Speak to a human" (people at a table). To the right of the tiles is a sidebar with two sections: "Upcoming bookings" and "Saved Job Opportunities". Both sections have a message stating "You don't have any upcoming bookings, have a look at our search pages to see what's available." and "You don't have any saved Job Opportunities yet, have a look at our search pages to see what's available." respectively. Each section has a "Search" button with a right arrow icon.
