## Application for a Replacement Testamur

## Please read these Notes before completing the form.

- 1. Definition: The testamur is the formal certification of your award and includes the University seal and signatures of the Chancellor and Vice-Chancellor. Honours levels (example First Class Honours), Majors (example Chinese) and prizes will not appear on the testamur, but will be listed on your academic transcript and Australian Higher Education Graduation Statement.
- 2. Your testamur is an important document and may be replaced only when the original has been permanently lost, damaged or destroyed.
- 3. The replacement testamur will be issued in the current format and will also state the current date of printing as well as the original date of conferral. Signatories to the replacement testamur may be different from those on the original testamur.
- 4. No responsibility is accepted for the delivery time if the testamur is posted.
- 5. When selecting the option of post your testamur will be sent registered.
- 6. The University does not send testamurs by fax or email because a faxed/emailed copy is not an original document.
- 7. Once your application is received by the Graduations Office, it will typically take 5 working days for the documents to be processed and available for collection/postage, however this timeframe may be longer during peak periods.

## LODGEMENT OF APPLICATIONS
