# Wattle Download Guide for Students

## About this guide

From December 17 2025, Wattle will no longer be available for most students. From this date, most ANU students will lose login access to Wattle, and most content in Wattle will no longer be accessible to students.

Below Is a list of instructions for downloading content from Wattle that you may want to retain beyond 17 December 2025. This outlines the most common items you may wish to save from Wattle as a student.

## How to find and save Wattle content

| Wattle Content Type | Download Instructions |
|---|---|
| Course files: slides, readings, handouts | Download from Wattle course sections. |
| Turnitin submissions and similarity reports | Open the Turnitin assignment to download your receipt and similarity report. |
| Assignment submissions and feedback | Open each assignment to download your submission file and feedback. |
| Gradebook | Open Grades and save as a PDF. |
| Course outlines and other content | Copy selected text you need and save it as a Word doc to your desktop, or save the course content as a PDF directly from Wattle. |
