Student Services and Amenities Fee (SSAF)

2025 Allocation Report

Introduction

The *Higher Education Support (Student Services, Amenities, Representation and Advocacy) Guidelines 2022* (SSARA Guidelines) require higher education providers to provide a publicly available report on student services and amenities fee (SSAF) allocations and actual expenditure for the year as part of their annual reporting and in the form approved by the Minister. This *SSAF Allocation Report* is the form approved by the Minister.

The information provided in this *SSAF Allocation Report* does **not** require auditing by a financial accountant. The SSAF [expenditure reporting is a separate process and remains unchanged](#), more information can be found in the [Financial Statements Guidelines](#) for Table A and B providers, and in the [Financial Viability Instructions: Applicants and Providers of FEE-HELP \(FVI\)](#) for all other approved providers.

SSAF Consultation and Achievements

Summary and outcomes of consultation on the specific uses of SSAF

The Australian National University (ANU) undergoes a formal process of consultation with our student body to evaluate how they would like to see the SSAF revenue allocated across the defined services areas.

As part of a broader consultation process informing the allocation of SSAF since 2023, the University releases a survey to all students each year to inform the priorities for services and programs. The SSAF Survey is made available to respondents for a period of two weeks. The information identified in the SSAF Survey Report is circulated to providers to inform decisions of the priorities for SSAF.

See 2024 SSAF Survey Report: <https://d1zkbwgd2iyy9p.cloudfront.net/files/2024-09/2024%20SSAF%20Survey%20Report.pdf>

Since 2022, the Student Services Council (SSC) has played an advisory role on all matters pertaining to the SSAF, its allocation and use across different services provided to ANU students. It has a key role in managing SSAF reporting and acquittals.

Steps taken to ensure SSAF was expended in accordance with the Act

As part of the University's agreements with SSAF recipients, they are required to provide reports quarterly which includes a budget breakdown and spending in accordance with the purposes set out in the Higher Education Support Act (HESA) 2003.

In addition, recipients are required to provide the University an Annual Acquittal Statement that confirms that funds have been acquitted in accordance with the Act.

What SSAF funding achieved in 2025

The University distributes SSAF to a number of organisations that provide services and amenities to the student community.

The ANU Students' Association (ANUSA) is the peak representative body for undergraduate students at the ANU. ANUSA provides a wide range of services including academic, financial, and legal. ANUSA also runs major events every year such as both Market Days which thousands of students attend. ANUSA also democratically organises students to advocate for their interests, both at the ANU and more broadly in Canberra and Australia.

ANU Sport exists to facilitate connections within the campus community through health, wellbeing, and sport. Their aim is to enable the best University sport and physical recreation experience in Australia, empowering the campus community to connect and reach their full potential.

ANU Student Media (Woroni) and ANU Observer serve the student community through timely, detailed and accurate coverage of campus events.

SSAF is also directed to a number of central services at the University in Student Life, Residential division, and Scholarly Information Services. These services help to enrich the student experience by providing access to academic support, student retention and development, and welcome activities and support.

SSAF Revenue Summary

	2025 Allocation \$ ¹	2025 Actual \$
SSAF Revenue	\$6,500,000.00	\$6,411,226.50
SSAF revenue carried forward from 2024	\$1,940,972.75	\$1,940,972.75
Total SSAF funds available for 2025	\$8,440,972.75	\$8,352,199.25
SSAF revenue carried over into 2026	\$ 1,212,463.45	\$1,672,080.35

¹ Allocation refers to the SSAF funds expected to be received in the reported year (i.e., budgeted SSAF revenue).

SSAF Charge Summary

The student services and amenities fee (SSAF) charged to students must not be above the maximum fee for a calendar year. The maximum SSAF is indexed annually as required by the *Higher Education Support Act 2003* (the Act). In **2025** the maximum SSAF was **\$365.00**.

Student Status	2025 SSAF charged \$ ²	Number of students charged in 2025 ³
Full-time ¹ (> 0.75 EFTSL)	\$365.00	31,896
Part-time ¹ (< 0.75 EFTSL)	\$182.50	6,659
		Total: 38,555

¹ Note: As per Part 2 of the *Higher Education Support (Administration) Guidelines 2022* (Administration Guidelines), students studying on a part-time basis must not be charged more than 75 per cent of the maximum SSAF that a higher education provider determines for students studying on a full-time basis. The term “part-time basis” means a study load of less than 75 per cent of the normal full-time student load for the period to which the fee relates. As per part 7 of the Administration Guidelines, the normal EFTSL value for a full-time student studying over a period of one year is 1.0.

² Note: As per Part 2 of the Administration Guidelines, a higher education provider may choose to determine a different SSAF for particular categories of persons, including a zero amount.

³ Note: Students are categorised as full-time or part-time students based on the total EFTSL value of the units of study they undertook in [insert reported year]. For example, a student undertook a full-time study load in Semester 1 which was equal to 0.5 EFTSL and undertook a part-time study load in Semester 2 which was equal to 0.375 EFTSL. This student would be categorised as a full-time student in [insert reported year] as the total EFTSL they undertook in [insert reported year] was equal to 0.875.

Student Status	2025 SSAF charged \$ ²	Approx. number of SSAF students remote learning 2025 ⁴
Remote learning/Online only	0	0

⁴ Note: The Department of Education understands that not all higher education providers capture mode of study in their information systems and many students undertake a mixed mode of study such as face-to-face and remote learning. The data provided above is for students who undertook remote learning for 100% of their units of study.
