SRI Working Group 2025

Meeting no.	1
Date / time	17 November 2025 1pm
Venue	Teams
Attending	47F
Apologies	

This working group was established at the request of Investment Committee to review the SRI Policy, with a focus on controversial weapons. The first meeting shared a short overview of last year’s SRI policy review, the resulting controversial weapons negative screen, and the definitions and rationale around it. The purpose of the meeting was to establish the scope and framework of the existing screen, and to collect initial views from members of the working group.

The following points capture various comments from the various team discussion.
