Dear Australian National University,

ANU hosted a staff meeting on Thursday 11 September to announce the resignation of VC Bell. At this meeting, it was stated that Council was informed on the evening of 10 September. Rebekah Brown has publicly stated she was only told the day before. I am seeking clarity on when the venue was booked and by whom.

Under the Freedom of Information Act 1982 (Cth), I seek access to any and all documents held by the Australian National University that relate to:
- Venue booking form for Llewellyn Hall, or email/Teams requesting Llewellyn Hall to be booked. This should include the date the request was made, the event name and provided event details; along with the staff member or office who made the request.
- All emails, Teams or other messaging platforms that the IVC/Provost Office has access that refer to booking Llewellyn Hall.
Yours faithfully,

Joyce Mayer

There is no strict time frame on this, just as soon as possible.

This one is a bit tricky as we had sent out a search previously and the documents received were not technically in scope, so we are now having to do a rush search.

We are already out of time on this with possible extensions available.

Happy to discuss further.

Thank you for your previous response.

It has now been established that the documents previously identified are not the correct documents for this request.

I would be grateful if you could conduct a search for the following:

'ANU hosted a staff meeting on Thursday 11 September to announce the resignation of VC Bell. At this meeting, it was stated that Council was informed on the evening of 10 September. Dear Australian National University,

ANU hosted a staff meeting on Thursday 11 September to announce the resignation of VC Bell. At this meeting, it was stated that Council was informed on the evening of 10 September. Rebekah Brown has publicly stated she was only told the day before. I am seeking clarity on when the venue was booked and by whom.

Under the Freedom of Information Act 1982 (Cth), I seek access to any and all documents held by the Australian National University that relate to:
- Venue booking form for Llewellyn Hall, or email/Teams requesting Llewellyn Hall to be booked. This should include the date the request was made, the event name and provided event details; along with the staff member or office who made the request.
- All emails, Teams or other messaging platforms that the IVC/Provost Office has access that refer to booking Llewellyn Hall.
Yours faithfully,

Joyce Mayer

Hi s47F

Please find attached all documents identified as being within scope of the request. Based on our review and discussions with the Llewellyn Hall team, we note the following:

- The event in question appears to have been initially requested and booked as part of the s22 , rather than explicitly as a VC staff meeting or town hall at the time of booking.
- A site visit is referenced in the Priava notes, however, no further supporting documentation or detail has been identified.
- All records held by the team that fall within scope have been provided.

In relation to the material, we note that the documents contain names and contact details of staff and other individuals. We recommend that these be reviewed and redacted as appropriate in accordance with the Freedom of Information Act 1982 and ANU policy.

Please let me know if you require any further clarification or additional searches.

Good morning s.47F Personal privacy

Thank you for continuing this for me in s.47F Personal privacy absence. s.47F Personal pr previously provided information about a different event in Llewlyn Hall, but this is specifically about venue booking for the VC for a staff meeting. If not documents exist, please let us know.

I am writing to you because the University has received a Freedom of Information (FOI) request that identifies documents likely held by you or someone within your portfolio.

The Freedom of Information Act 1982 is Commonwealth legislation that allows the general public to seek access to documents held by any Commonwealth agency or authority. The Australian National University is a Commonwealth authority and is subject to the Act (see following link for further information: https://www.anu.edu.au/freedom-of-information) .

The request is as follows:

Rebekah Brown has publicly stated she was only told the day before. I am seeking clarity on when the venue was booked and by whom.

Under the Freedom of Information Act 1982 (Cth), I seek access to any and all documents held by the Australian National University that relate to:
- Venue booking form for Llewellyn Hall, or email/Teams requesting Llewellyn Hall to be booked. This should include the date the request was made, the event name and provided event details; along with the staff member or office who made the request.
- All emails, Teams or other messaging platforms that the IVC/Provost Office has access that refer to booking Llewellyn Hall'

Given the subject of the request, we believe relevant documents will be held by you or your team, however, if you feel there is someone more appropriate for us to liaise with in relation to this request, please let us know at your earliest convenience.

- **Any concerns you have** with material contained in the document – provide as much detail as possible, reference specific pages or information within the document and provide context to assist the FOI team in determining appropriate exemptions/redactions – this should be considered your sole opportunity to articulate any concerns you may have. For an idea of what kind of material can be redacted, please review the following link: https://www.oaic.gov.au/freedom-of-information/guidance-and-advice/exemptions-and-conditional-exemptions-under-the-freedom-of-information-act-1982

You must provide unmarked/unredacted documents to the FOI team for them to process. It is the responsibility of the FOI team to assess and redact documents in accordance with the provisions of the FOI Act.

Hi s.47F Person

Thank you for your email.

I can confirm that, I do not hold any documents, emails, or correspondence specifically relating to the VC staff meeting referenced in the request.

The booking identified for 11 September 2025 was originally made for a different purpose s22 . While it appears this booking was subsequently used to host the VC staff meeting, it was not booked or communicated for that specific purpose, and we have not identified any documentation that reflects the VC staff meeting as described in the FOI request.

The materials previously provided represent all records identified within our systems.

Subject: FOI request 202500275- Search and Retrieval Request

Good morning s.47F Personal privacy

Thank you for continuing this for me in s.47F Personal privacy absence. s.47F Personal pr previously provided information about a different event in Llewlyn Hall, but this is specifically about venue booking for the VC for a staff meeting. If not documents exist, please let us know.

I am writing to you because the University has received a Freedom of Information (FOI) request that identifies documents likely held by you or someone within your portfolio.

The Freedom of Information Act 1982 is Commonwealth legislation that allows the general public to seek access to documents held by any Commonwealth agency or authority. The Australian National University is a Commonwealth authority and is subject to the Act (see following link for further information: https://www.anu.edu.au/freedom-of-information) .

The request is as follows:

'ANU hosted a staff meeting on Thursday 11 September to announce the resignation of VC Bell. At this meeting, it was stated that Council was informed on the evening of 10

September. Rebekah Brown has publicly stated she was only told the day before. I am seeking clarity on when the venue was booked and by whom.

Under the Freedom of Information Act 1982 (Cth), I seek access to any and all documents held by the Australian National University that relate to:
- Venue booking form for Llewellyn Hall, or email/Teams requesting Llewellyn Hall to be booked. This should include the date the request was made, the event name and provided event details; along with the staff member or office who made the request.
- All emails, Teams or other messaging platforms that the IVC/Provost Office has access that refer to booking Llewellyn Hall'

Given the subject of the request, we believe relevant documents will be held by you or your team, however, if you feel there is someone more appropriate for us to liaise with in relation to this request, please let us know at your earliest convenience.

Timeframe

So that we may respond to the request within the timeframes set out within FOI legislation, I would be grateful if you can provide us with any documents within scope of the request by **COB 10 April 2026**.

Search and Retrieval Schedule
Please complete the attached document called '*Search and Retrieval Schedule'*. You should include the following:

- **Number** the document You should number documents that you provide to the FOI team, these numbers should correspond to the 'Document Number' in the *Search and Retrieval Schedule*.
    - For example:
        - 1. Report on ABCD
        - 2. Email about report on ABCD.
- **Number of Pages** within the document
- **Date the document was created** or 'Not Ascertainable' if no dates are included on the document
- **Any concerns you have** with material contained in the document – provide as much detail as possible, reference specific pages or information within the document and provide context to assist the FOI team in determining appropriate exemptions/redactions – this should be considered your sole opportunity to articulate any concerns you may have. For an idea of what kind of material can be redacted, please review the following link: https://www.oaic.gov.au/freedom-of-information/guidance-and-advice/exemptions-and-conditional-exemptions-under-the-freedom-of-information-act-1982

Unmarked Documentation

You must provide unmarked/unredacted documents to the FOI team for them to process. It is the responsibility of the FOI team to assess and redact documents in accordance with the provisions of the FOI Act.

Charges
Charges may be able to be applied for this request. So that we can determine this and calculate any applicable charges, please provide information on:

- Time spent searching for and retrieving documents;
- Staff involved in search.

Attestation of Search
Once you have completed the Search and Retrieval Process and are ready to provide the documentation back to the FOI team, you must sign the *'Attestation of Search'* document that is attached to this email. This can be either wet inked and scanned or docusigned. The reason this document is used is to provide the regulatory body with assurance that the ANU is taking all reasonable and necessary steps to locate and process documentation that could be relevant to an FOI request. Please note that this document will be released to FOI applicants where required.

If you have any questions about the scope of the request or in undertaking this search please contact me as soon as possible. Thank you for your assistance.

Kind regards

I would be very grateful for the redaction of the mobile phone number as this is my personal mobile. I do not agree to having this information shared publicly.

I would also appreciate having my name redacted as I am not certain why this email conversation was requested. I was booking a venue and this is a necessary and regular requirement of my job.

As I have never had to respond to a FOI request before, is it appropriate for me to view the request? Not sure if that is possible, but a question I thought I should ask.
