What happens next

- Apply by the Global Programs deadline of September 30th
- Eligible students are shortlisted
- Shortlisted students informed if successful for the grant (within 1 week of deadline)
- Students accept or decline in the Global Programs System
- Students must then apply to host institution as well, before the Host deadline
- Grant offers made and paid to students
- Student pay the Host institution (tuition/accommodation) costs to participate
- Students meet up and make arrangements to fly out with new friends!

Common Questions

- Are the summer programs fee-paying?

Most programs are fee-paying, meaning you pay tuition fees directly to the host institution.

- Who do I pay the tuition fee to?

You pay the institutions directly, usually via an electronic transfer at your bank or on your card.

- How do know if I can get credit?

Usually if you have a spare elective (6 units usually), you may get approval for credit. You need to **go see your academic college** as they will decide if you have room in your degree for a short course to be credit bearing.

- What if I cannot get credit from my ANU College?

You are not eligible for the grants if you cannot get credit.

Common Questions – continued

- Do I organise my own flights? And passport?

Yes, you book your own flights and you must get your own passport.

- I'm not a first year – can I apply for the short programs and get the grant?

No, if you are not a first year, you **would not be eligible for the grant**. However you may be able to still apply for some of the programs and use OS-HELP to fund the experience if you meet the eligibility requirements.

- What if I'm not selected?

For any student who wishes to apply for short courses themselves at any point, you can do so independently. You organise this yourself (Study Abroad) and you pay for your participation directly to the providing institution.

- What would I need to pay for?

Tuition fee at the institution, accommodation, flights, excursions, food, passport, visas, vaccinations, books etc.

- If I am shortlisted, can I meet others who are also going?

Yes. Students can meet at the pre-departure, and will be invited to Global Programs social events.

Good luck!
