

The data was gathered for 21 February 2022 and is based on what was reported by individuals at point in time and may not be an accurate reflection of true numbers and location. The spreadsheet contains data filled out on ANU positive case reporting form and also compiled from phone calls, emails and teams chats. It does not contain all the data on where the students chose to reside for quarantine.

Gender	Contracted Residence	Exposure date	Status (Pos / Recovered)	Quarantine Location
