

# Double Degrees.

Get more out of Uni.

A flexible double degree allows you to combine two Bachelor degrees of your choice. You can build a tailored combination to suit both a career path and a personal passion. Programs take 4-5 years to complete and you end up with two degrees.

Combinations are available in three groups:

- ☐ Arts, Business, Social Sciences & Science
- ☐ Engineering & Advanced Computing
- Law

## 1

### Browse & Apply

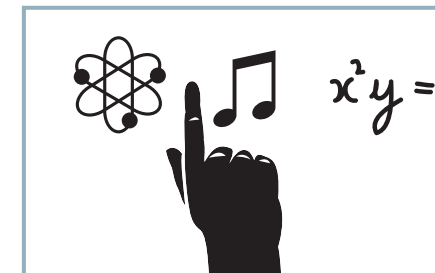

- > Think about whether you want to:
  - Combine Law with another degree
  - Combine Engineering or Advanced Computing with another degree
  - Combine two Arts, Social Sciences, Business or Science degrees
- > Select a Flexible Double Degree 'group' combination option.
- > Apply! There are different ways to apply to ANU, find out how you should apply [anu.edu.au/study/apply](http://anu.edu.au/study/apply)
- > You will choose to combine two degrees from a group later.

## 2

### Accept & Choose

- > Receive an offer for a flexible double degree.
- > Accept your offer. Instructions will be in your offer letter.
- > Select the two degrees you want to combine based on your entrance rank and prerequisites.

## 3

### Select & Enrol

- > Select the specific courses you'd like to study at [programsandcourses.anu.edu.au](http://programsandcourses.anu.edu.au)
- > Enrol online to get your student card, timetable, and everything else you'll need for your first weeks of university.
