ACT GOVERNMENT OFFICE OF INTERNATIONAL ENGAGEMENT
PRIZE**

CONDITIONS OF AWARD

1. INTRODUCTION AND RECOGNITION

Each year the ANU College of Business and Economics may offer a prize which shall be known as the Australian Capital Territory (ACT) Government Office of International Engagement Prize for Most Outstanding Team in the ANU International Business Plan Competition.

The objective of the prize is to award a student or group of students who achieved the best result as selected by the Judging Panel led by the course convenor in the annual ANU International Business Plan Competition in BUSI3024 Export Business Planning and MKTG7035 Global Marketing.

The value of the prize/s awarded is \$2,000.

The prize will be on offer from 2023 to 2025.

Funding for this prize has been provided by ACT Government Office of International Engagement.

2. ELIGIBILITY

The award is available each year to an ANU student who is:

- (a) a domestic or international student;
- (b) enrolled in an undergraduate or postgraduate program in ANU;
- (c) completing BUSI3024 Export Business Planning or MKTG7035 Global Marketing in the academic year of offer.

3. SELECTION AND CONSTRAINTS

Selection is made on the basis of the best result for the Business Plan in the courses (BUSI3024 Export Planning or MKTG7035 Global Marketing).

The ANU College of Business and Economics reserves the right to make no award if it considers there is no applicant of sufficient merit. The prize awarded will be equally divided between the members of the team. The selection of the winning team will be nominated by the course convenor, supported by the Director of the Research School of Management and endorsed by the Associate Dean (Education).

If the courses are no longer on offer, with the approval of the Dean of the ANU College of Business and Economics following discussion with the donor, the prize shall be awarded for other courses the content of which is similar.

If, in any year, no students achieve results that, in the opinion of the Dean of the ANU College of Business and Economics, justify awarding the prizes in that year, the prizes shall not be awarded.

Where required, the ANU Medals Committee will be available for qualitative or subjective assessment determinants if a decision is not reached within the College to determine prize winners.
