

**AUSTRALIAN NATIONAL UNIVERSITY**  
**COLLEGE OF ARTS AND SOCIAL SCIENCES**  
**JOAN STANFORD PRIZE IN SOCIOLOGY**

**Conditions of Award**

1. There shall be a prize of \$1,500 for award each year which shall be known as the Joan Stanford Prize in Sociology. The award will be decided by a committee of the HoS, UG Convenor and one other staff member from the School of Sociology on an annual basis.
2. The prize shall be awarded each year to the student who, in that year:
  - (i) completes all the requirements for a Bachelor of Arts (Sociology) degree; and
  - (ii) achieved the best result for their year (based on an average of all courses completed as part of fulfilling the requirements of the Sociology Major).
3. A student is not eligible to be awarded the prize in any year if:
  - (i.) the student who achieves the best result has achieved that result in a course which the student had previously attempted;
  - (ii.) the student has previously pursued a course of study in courses or subjects (whether at the University or any other tertiary education institution) the content of which is, in the opinion of the Dean of the College of Arts and Social Sciences, substantially similar to the content of the nominated course; or
  - (iii.) the student has been awarded the prize in a previous year.
4. If, in any year, two or more students equally merit the award of the prize, the prize in that year shall be divided equally between them.
5. If, in any year, no student achieves results that, in the opinion of the committee, justify awarding the prize, the prize shall not be awarded in that year.
6. It is recognised that future unforeseen circumstances may alter or remove the subject area from the academic plan of ANU. In such an event the principal and income of the fund will be directed to an activity within the ANU College of Arts and Social Sciences as authorised by the Vice-Chancellor and then directed to purposes that ANU deems to be most consistent with the wishes of the donor.
