

## **LD PRYOR PRIZE**

### **CONDITIONS OF AWARD**

#### **1. INTRODUCTION AND RECOGNITION**

Each year the ANU College of Science may offer a prize known as the LD Pryor Prize.

The objective/s of the prize are to award the students who achieved the best result as shown by the award of the highest aggregate mark in any courses from the fields of Botany, Zoology, or Ecology offered by the Research School of Biology.

The value of the prize awarded is \$500.00

The prize will be on offer from year to year.

Funding for this prize has been provided by Professor Lindsay Pryor's family. The prize has been named in honour of Professor Lindsay Pryor who passed away in 1998.

#### **2. ELIGIBILITY**

The award is available each year to an ANU student who is:

- (a) a domestic or international student;
- (b) enrolled in a Bachelor degree within the ANU College of Science; and
- (c) achieved the best result as shown by the award of the highest aggregate mark in any courses from the fields of Botany, Zoology, or Ecology offered by the Research School of Biology.

#### **3. SELECTION AND CONSTRAINTS**

Selection is made on the basis of students achieved the best aggregate marks in any courses from the fields of Botany, Zoology, or Ecology offered by the Research School of Biology

The Research School of Biology reserves the right to make no award if it considers there is no applicant of sufficient merit. The School may also vary the number of prizes if multiple winners are identified by splitting the prize.

Where required, the University Medal Committee will be available for qualitative or subjective assessment determinants if a decision is not reached within the College to determine prize winners.

#### **4. RECIPIENT OBLIGATIONS**

The awarding of a prize is based on the information provided to the University. A prize may be declined by the recipient once they have been notified as the prize winner. This must be provided in writing to Science Central no later than 10 working days from notification.

If the prize is accepted by the recipient, they agree to the Publication of their name.

In some instances the recipient may be asked to:

- 1) write a letter of thanks to the donor;
- 2) participate in marketing activities and/or asked to provide a reflective statement.

#### **5. REVIEW OF PRIZE**

The award will be reviewed:

- (a) at the conclusion of the period outlined in section 1; or
- (b) if any eligibility requirements are to be amended
- (c) after 3 years

whichever is earliest.

#### **6. VARIATION TO CONDITIONS OF AWARD**

In exceptional circumstances and on a case-by-case basis, these conditions of award may be varied by the Associate Dean (Education) on the recommendation of the Head of Biology Teaching and Learning Centre.

#### **7. CONTACT WITH THE COLLEGE**

All enquiries regarding the prize and changes, issues, or further information after acceptance should be made to:

Biology Teaching and Learning Centre  
College of Science  
Gould Building 116  
The Australian National University  
Canberra ACTON 2601  
AUSTRALIA

Email: [rsb.studentadmin@anu.edu.au](mailto:rsb.studentadmin@anu.edu.au)

#### **8. DISCLAIMER**

The recipient of this award is subject to The Australian National University Act 1991 as amended, and to the Statutes, Rules, Regulations and Resolutions of the University.

These conditions of award should be read in conjunction with the University's Coursework Scholarships Policy & Procedures available from the ANU website.
