

## THE AUSTRALIAN NATIONAL UNIVERSITY

### COLLEGE OF SCIENCE

#### HANNA NEUMANN PRIZE FOR MATHEMATICS IV(H)

#### CONDITIONS OF AWARD

1. There shall be a prize for award each year, which shall be known as the Hanna Neumann Prize for Mathematics IV(H).
2. The prize shall be awarded from the fund administered by the University for the purposes of the prize, and shall be the amount determined by the University from time to time.
3. The prize shall be awarded each year to the student who, in that year:
  - (i) was enrolled in a program leading to the award of a degree of Bachelor with Honours; and
  - (ii) achieved the best result as shown by the award of the highest mark for Mathematics IV(H).
4. A student is not eligible to be awarded the prize if:
  - (i) the student is making a second or subsequent attempt at any of the courses relevant to the award of the prize; or
  - (ii) the student has previously pursued a course of study in a course, unit or subject (whether at the University or another tertiary education institution), the content of which, is in the opinion of the Associate Dean (Education) of the College, substantially similar to the content of the course or courses for which the prize is to be awarded.
5. A student may only be awarded one Hanna Neumann Prize in a particular year.
6. If, in any year, two or more students achieve the same top mark, the prize awarded in that year shall be divided equally between them.
7. If, in any year, no student achieves results that, in the opinion of the Associate Dean (Education) justify awarding the prize in that year, the prize shall not be awarded in that year.

AJF - 27 October 2009
