

THE AUSTRALIAN NATIONAL UNIVERSITY

COLLEGE OF SCIENCE

HANNA NEUMANN PRIZE FOR THIRD YEAR MATHEMATICS

CONDITIONS OF AWARD

1. There shall be a prize for award each year, which shall be known as the Hanna Neumann Prize for Third Year Mathematics.
2. The prize shall be awarded from the fund administered by the University for the purposes of the prize, and shall be the amount determined by the University from time to time.
3. The prize shall be awarded each year to the student who, in that year:
 - (i) was enrolled in a Bachelor degree program, and
 - (ii) has completed at least 144 units at the end of the award year, and
 - (iii) achieved the best aggregate results in 24 units of HPC mathematics courses or advance studies mathematics courses at level 3000 or above.
4. A student is not eligible to be awarded the prize if:
 - (i) the student is making a second or subsequent attempt at any of the courses relevant to the award of the prize; or
 - (ii) the student has previously pursued a course of study in a course, unit or subject (whether at the University or another tertiary education institution), the content of which, is in the opinion of the Associate Dean (Education) of the College, substantially similar to the content of the course or courses for which the prize is to be awarded.
5. A student may only be awarded one Hanna Neumann Prize in a particular year.
6. If, in any year, two or more students achieve the same top aggregate results, the prize awarded in that year shall be divided equally between them.
7. If, in any year, no student achieves results that, in the opinion of the Associate Dean (Education) justify awarding the prize in that year, the prize shall not be awarded in that year.

AJF - 27 October 2009
